the proposals contained therein

E.

In G.O. dated 19.3.1924,
Govt directed the immediate sale
of the Six Country Carts which
had been unauthorisedly purchased
by the Live Stock Expert. This
officer now proposes that 3 of
them have been sent to Rayanakere
Dairy Farm & will be paid for
at Rs 80/- each as against the
cost price of Rs 97/81- each & the
the other three will be kept
for use in the Bull Breeding
Dept to be opened later on &
paid for at Rs 80/- each.

made are quite contrary to the Govt order on the subject and merely amount to a book-adjustment of the transactions by transfer of funds from one deptt to another. In the case of one transaction, the period of adjustment is indefinite.

3 But as the proposals do not involve much loss to Govt, they may perhaps be sanctd with the observations as to the irregular & unsatisfactory nature of the transactions.

for 63

15/5/24 The price paid for the Carts is Rs 586-8-0 and was paid from Funds allotted for Relief of Distress. The present proposal amounts to keeping the Carts in the Agricultural Department, by adjustment of the cost at Rs 80 per Cart i.e. Rs 480 in all. The loss in volves to Govt is Rs 106-8-0, which is due to the hasty manner in which the Carts were purchased by the Live Stock Expert, without obtaining Sanction of Govt. As the Carts are proposed to be retained in the Agricultural Dept the cost has to be debited to that

The information furnished is not to the point at all. Nothing is said about the transfer of cattle to Rayanakere Dairy farm and the establishment of a training dept at Birur is likely to take some time. No provision is made in the next year's budget for this purpose.

The proposals made by the Director of Agriculture for the disposal of the six cattle seem to be to the advantage of Govt under the present circumstances. It is therefore a point for orders as to whether they may not be approved entirely, with a request that the Director may point out the source therefor direct to the Comptroller in the Centre of necessity, subject for orders,

SIR,

With reference to your letter No.987-D of 23rd April 1924, I have the honour to forward herewith copy of Live Stock Expert's letter No.2470, dated 3/5th May 1924, and to state that I agree with the proposals of the Live Stock Expert regarding the disposal of the six country carts, ~~and to~~ request that very early orders of Government may kindly be obtained sanctioning the proposals.

I have the honour to be,
Sir,

Letter No.2470 dated 3/5th May 1924 from the Live Stock Expert in Mysore to the Director of Agriculture in Mysore, Bangalore.

Reference :- Your No.Roc.975-A of 23-24 dated 24th April 1924.

I have the honour to state that of the six country carts in question, three have been sent to Hayanakere Dairy Farm, and will be paid for at the rate of Rs.80/- each. Arrangements to complete this transaction are in hand. The remaining three are still in Tarikere under the charge of the Salustry in charge of Tarikere Terminal camp. As carts will be required for the "Breaking Depot" at Birur, the proposals for which are under preparation, it would seem wiser to keep these for the use of the depot, and adjust - charges when the same is opened, than to sell them outright. An auction sale will not probably realize proper prices, and I am not able to negotiate private sale as the time at my disposal does not permit.

The adjustment price I suggest for this transaction is Rs.80/- per cart. If this proposal meets with your approval, I have the honour to request that you will report the same to Government and obtain sanction for its execution.

Government have called for a revised scheme re. the establishment of a breaking and training depot for Amrit Mahal cattle at Birur, stating that excess revenue realised from Amrit Mahal Department activities will be made available for this purpose. The cost of the carts in question may be met from that source.
